

ARNOLD SOMMERFELD
CENTER FOR THEORETICAL PHYSICS **This Week at the ASC**
November 21 - November 27, 2016

NEWS

The ASC is co-organizing a workshop on Geometry and Physics (in memoriam of Ioannis Bakas), which will take place at Ringberg Castle in the period November 20-25, 2016. More information can be found on the webpage of the workshop.

Wednesday, 23.11.2016

Solid State Theory

14:00h

Room A449

Theresienstr. 37/IV

T. Reinhard

MPI f. Struktur und Dynamik der Materie, Hamburg

A bridge between wave function methods and functional methods: Density matrix embedding theory for coupled fermion-boson systems

Analysis

14:15h

Room B251

Theresienstr. 39/II

E. Stockmeyer

LMU

TBA
